CMP M1 Garand Match

M1 Garand and Match Clinic Nov 13, 9:00 AM

M1 Match Nov 14, 8:30 AM

RIFLES: We will have M1 Garand rifles on loan to us for use at the clinic and the match. If you own an M1 Garand you may use it.

AMMO: We will have a limited supply of discounted 30-06 ammo supplied to us by the CMP. If you plan on using a loaner M1, you must use the CMP supplied Ammo. If you plan on using your own M1 rifle. You can still purchase CMP supplied Ammo at the reduced match price or supply your own.

Experience: No experience necessary. Our NRA trained team and coaches will assist all participants as necessary.

Equipment: No special equipment is necessary. If you have your own high power shooting gear. You may use it.

The purpose of the clinic is a hands-on instruction, live fire exercise to show you how to safely load and operate the M1 Garand Rifle (no Garand Thumbs on this range).

The basics of high power marksmanship will be tailored to each participant.

Cost: We won't know the actual cost for this match until we know how much ammo we will need to order from the CMP. The actual cost will be announced on or before the September meeting.

All participants in this CMP sanctioned match will be eligible to purchase surplus rifles and ammunition from The Civilian Marksmanship Program.
