LINKS & RESOURCES

Manville Sportsmen's Rod and Gun Club (MSRGC) is a place where individuals can pursue their favorite shooting sports: archery, shotguns, rifles and pistols, are all popular here. Members also gather for hunting and fishing expeditions. The club's facilities include two trap ranges, indoor and outdoor pistol ranges, an outdoor rifle range, a black powder range, an indoor and outdoor archery range, and even a place for throwing knives and tomahawks. The club has an active community of archers and our facilities include a large collection of 3-D targets, traditional bows, and field-tip arrows suitable for shooters of all sizes.

The MSRGC central clubhouse is a large but welcoming gathering place, equipped with a bar and kitchen, making it perfect for the functions of members' and special guests. The club also has smaller clubhouses with wood burning stoves at its upper and lower trap fields, and a recently constructed clubhouse at the upper rifle range. We shoot all year, and need to keep warm out there!
